><p>Chapter One: The Confession

(P.O.V Starish)

We had just finished watching Heavens surprise performance when the judges asked us how we created such amazing music. We responded with the truth, the fact that out amazing composer Haruka is who wrote the amazing tune and inspired us for the lyrics. We decided to show the world who our beloved composer was, so we asked Haruka to come out on stage.

" Everyone, I don't think that it's a good idea I come out on stage." Haruka replied.

"Come on, Haruka." Ittoki insisted

"The world deserves to see who our lady is" Ren said while giving a flirtatious wink.

After more insisting from all of us Haruka finally decides to come out on stage.

'This is my chance to tell her how I feel!' we all think simultaneously.

(P.O.V Haruka)

As I walk out onto stage I get extremely nervous with all of the people cheering and waving. I nervously look over to the guys and they are all smiling at me with encouragement. I go up to each one individually.

As I walk up to my cheerful red headed friend he looks at me with endearment in his eyes. As I approach him he looks as if he wants to say something.

" Haruka, Iâ€¦.. I have something to confessâ€¦. Iâ€¦ I lo-"

"Haru-chan! I have something to tell you too! I really really lo-"

"Oi! Natsuki! Stop smothering her! ***shoves Natsuki off of her* **Althoughâ€¦ I have something to confess as well. I admire your strength and Iâ€¦ I Lo-"

" Princess! You have once again graced me with your beauty. I have something to tell you my princess, Iâ€¦. lo-"

"My lady" Ren interrupts, "why don't we take this somewhere more private so I can tell you my deepest secret. I have undoubtedly fallen hopelessly in lo-"

"Jinguji! Stop bothering Haruka!" Masato turns to look at me, "My deepest apologies for his behavior Haruka. I'm usually not one for confessions, but you have pulled my heart strings like that of playing the piano, this has caused me to fall deeply in lo-"

" I hate to interrupt, but I too have something important to say. Haruka, I have always lo-"

They all stopped and looked at me.

All at once they said " Haruka, I love you!"

"Everyone, I love you too!" I reply with a cute smile.

The audience was hushed as the boys confessed to me. Then a wave of aww's spread throughout the stadium.

'She doesn't understand our feelings' we all think at once.

We try to put our crestfallen hearts to the back of our minds as we await the announcement of the winner of the competition.
